

EQUIPMENT LEASE AGREEMENT

This Equipment Lease Agreement ("Lease") is made as of June 1, 2026, between Fabrique Capital Leasing Corp. ("Lessor") and Dunmore Precision Manufacturing, Inc. ("Lessee").

1. EQUIPMENT Lessor leases to Lessee one (1) CNC five-axis machining center, Model DX-5000, together with related tooling and controls (the "Equipment"), having a fair value at lease commencement of \$410,000 and an estimated remaining economic life of 84 months.

2. TERM The Lease Term shall commence on July 1, 2026 and shall continue for seventy-two (72) months, ending on June 30, 2032.

3. PAYMENTS Lessee shall pay Lessor a monthly lease payment of \$5,450.00, payable in advance on the first day of each month, commencing on the Commencement Date. Beginning in month 37 of the Lease Term, the monthly payment shall increase by a fixed amount of \$250.00 per month for the remainder of the Term, as agreed by the parties at signing.

4. PURCHASE OPTION At the end of the Lease Term, Lessee shall have the option to purchase the Equipment for \$1.00. Given the nominal amount of this purchase price relative to the Equipment's expected fair value at that time, exercise of this option by Lessee is reasonably certain.

5. USEFUL LIFE The Equipment has an estimated total useful life of ninety (90) months from the Commencement Date.

6. INITIAL DIRECT COSTS Lessee incurred \$3,200 in delivery and installation coordination costs directly attributable to negotiating and entering into this Lease.

7. DISCOUNT RATE The interest rate implicit in this Lease has been determined by the parties to be 6.00% per annum, based on the fair value of the Equipment, the estimated residual value, and the payment schedule set forth herein.

8. LEASE INCENTIVES No lease incentives are provided under this Lease.

9. MAINTENANCE AND RISK OF LOSS Lessee shall bear all risk of loss and shall be responsible for all maintenance, repair, and insurance of the Equipment throughout the Lease Term.

10. NO ALTERNATIVE USE The Equipment is custom-configured to Lessee's proprietary production specifications. Lessor has confirmed the Equipment would have no alternative use to Lessor at the end of the Lease Term without significant modification.

IN WITNESS WHEREOF, the parties have executed this Lease as of the date first written above.
